Soft Scour Color Coded Grooved Laminates ‘Nail Savers’

Technical Data

TD 213

Date : November 98

New issue

Author : PL

Description :

Products are cleaning tools made of a fine textured synthetic fiber web containing mildly abrasive particles, laminated with an adhesive onto a grooved synthetic foam holder

Product Advantages :

- Very good cleaning performances.
- Low aggressiveness to most surfaces (because non mineral abrasive particles).
- Easy to handle and finger protection (because grooved foam).
- Very good lasting.
- Can work in hot water and with usual cleaning chemicals.
- Doesn't contain pigments (natural resin color).
- Easy positioning at use because of foam color coding plus pictograms printed on foam top.
- Doesn't keep nor release any harmful ingredients.

Where and When to Use :

Products are used for general cleaning of a large variety of

surfaces in house, offices, hotels,... stainless steel, laminated plastics, sinks,...

Positioning is :

Ref	Foam color	Printed Symbol	Application
55	blue	desk	office spaces
56	red	wc	toilet bowls
57	yellow	sink	sanitaries, bathrooms
58	green	furniture	all delicate surfaces

Maintenance :

- Rinse the product after each use under tap water.
- Remove deep embedded soil from the product part by brushing it with a nylon brush.
- Rinse under clear water prior first use.

Product Characteristics :

Property	Nominal Value
Weight	1500 g/sqm 14 g/unit
Thickness :	45 mm
Size :	130 x 70 mm
Printing :	Red pictograms
• web color:	• natural brown, no pigment
• foam :	• see above color coding
Web aggressiveness *	0g removed
Web abrasive	plastic
Resin :	Phenolic
Composition	• Nylon fiber

- Non abrasive particles
- Polymer resin
- Polyester foam

* Schiefer test on acrylic plate material (after 5000 revolutions)

Packaging :

- 100 per case (10 shrink packs of 10 units)
- Case weight : 1,73 kg
- Case cube : 55 dm³
- Palletisation : 16 cartons per pallet

Labeling :

- Each carton shall be labeled to identify the contents by product name, size and manufacturer.

Product Origin :

- Made in Spain, in ISO 9002 certified manufacturing site.
- Source of Supply : 3M France, S.O.A.
